-

SECTION A: READING COMPREHENSION

Question (1-5) : Read the given passage carefully.

Nick Vujicic was born with no arms and legs - but he doesn't let the details stop him. The brave 26 -year - old – who is mainly a torso -- plays football and golf, swims and surfs, despite having no limbs. Nick has a small foot on his left hip, which helps him balance and enables him to kick. He uses his foot to type, writ with a pen and pick things up between his toes. 'I call it my chicken drumstick', joked Nick, who was born in Melbourne, Australia, but now lives in Los Angeles. I'd be lost without it.

[Attitude is Altitude]

Now answer the following questions :

5 X 2 = 10M

1. Where was Nick born?

35. Answer any one of the following. 10X1=10M

a. Read the following passage carefully focussing on the underlined parts.

On my way home from the bus stop, my trunk had been carried by a (A) porter. The problem now was (B) we couldn't find anyone who could help me carry the trunk to the bus stop. At another time of the year, we would have easily found someone to help me, but now **most of the villagers were busy in the fields**. Nobody had time to spare for me. In fact, carry the trunk should not have been such a worry for me except that (C) my education had made me shun physical labor. After all, I was a government officer and the idea of (D) people seeing me carry my own luggage was not at all amusing. Otherwise, for a young man like me it should not have been an issue to carry a (E) 20 kilo chest on my back.

Now frame 'Wh' questions to get the underlined parts as answers.

(OR)

b. Study the following pie –chart and write a paragraph describing the information in it.
